TO: CHIEF FOR: Deputy Director/Intelligence
 SUBJECT: Recent Sightings of Unexplained Objects

In the past several weeks a number of radar and visual sightings of unidentified aerial objects have been reported. Although this office has maintained a continuing review of such reported sightings during the past three years, a special study group has been formed to review this subject to date. O/CI will participate in this study with O/I and a report should be ready about 15 August.
