2.					<p>At a recent meeting to evaluate some material from [REDACTED], you mentioned a personal interest in the UFO phenomena. As you may recall, I mentioned my own interest in the subject as well as the fact that DCD had been receiving UFO related material from many of our S&T sources who are presently conducting related research. These scientists include some who have been associated with the Agency for years and whose credentials remove them from the "nut" variety.</p> <p>The attached material came to my attention through these sources and it appears to have some legitimate FI or community interest potential.</p> <p>The [REDACTED] work being carried out by Dr. [REDACTED] should, in the view of our S&T sources, be evaluated by the Agency or community.</p> <p>In view of the expertise associated with your office, as well as your interest in the subject, I felt you might like to see the material.</p> <p>[If you need additional information or if you feel there is some potential, I would be glad to discuss this with you. If not, please feel free to destroy the material.]</p>
